STRONG, SLEEK AND SERIOUSLY STUNNING

The Aluna+ interior range oozes luxury and sophistication.

Obsessively designed to impress with its super fast fabrication times and minimal stock requirements thanks to its clever design - continuing to always 'Make It Easy' for our fabricators.

Fixed panes and corner configuration options are available to meet the needs of any project requirements.

Aluna+ interior swing doors have both vertical and horizontal adjustable hinges as standard - for super easy and speedy installation. Ensuring a complete 'fit and forget' install first time, every time.

The Aluna+ interior range accepts both 4mm and 6mm glazing options providing flexibility and choice.

The Aluna+ Interior range is available as single and double swing doors, sliding doors, and glazed room dividers.

The swing doors have the option of a heritage look with lever lever handles, or a sleek pull handle with ball catch to suit every requirement.

Maximum sizes are up to 1000mm wide x 2500mm tall for a swing or sliding doors, and up to 2000mm x 2500mm for glazed room dividers. For larger spaces, room dividers can be coupled to another assembly.

The Aluna+ steel look interior door and glazed room divider system guarantees super slim sightlines offering maximised views, whilst offering privacy between rooms and spaces.

Clip in beads are also offered as standard - to ensure easy transportation plus super fast and easy installation.

Lock box and kick plate options are also offered within our market leading Aluna+ interior range, which can be easily added to achieve a heritage look.

The doors boast a premium textured black finish which minimises the possibility of any fingerprints and marks appearing, maintaining their stunning and super sleek look.
